

**Motion 1: Changing the Name of the Conference**

The ICCV sponsors (CVF and IEEE) have agreed to change the name of this conference to include both sponsors. Following this agreement, the official name of ICCV is hereby changed to the "IEEE/CVF International Conference on Computer Vision". ICCV is financially co-sponsored equally by IEEE and CVF.

Yes  No

**Results for motion 1:**

**Yes: 536**

**No: 141**

**Motion 2: Changing the Structure of ICCV**

The existing structure of ICCV17 (every other year, single track orals) should be changed to adapt to the growth of the field.

Yes  No

**Results for motion 2:**

**Yes: 467**

**No: 214**

### **Motion 3: What to do if Motion 2 Passes**

Assuming motion 2 passes, the executive committee is authorized to make one of the following two changes:

(a) ICCV becomes an annual conference, starting in 2022. ICCV will be scheduled so that there is a minimum of 3 weeks between the date CVPR decisions, reviews and meta-reviews are distributed to authors and the due date for ICCV submissions. In order to preserve the 4 year lead time, the PAMI-TC Executive Committee will choose a venue and organizers for ICCV 2022.

Or

(b) The executive committee is charged with moving ICCV to 2 oral tracks but the conference will continue to meet every other year.

**Results for motion 3:**

**Choice B: 400**

**Choice A: 257**

**Motion 4: ICCV 2021 Location and Organizing Team (listed in the order the proposals were received)**
